

**City of Prairie Village**  
**Notice of Demolition and/or New Single-Family Residential Structure**

---

---

In accordance with the City of Prairie Village Zoning Regulations, the purpose of this document is to notify you that plans have been filed at City Hall for a demolition of a single-family residence and/or new single-family residence within 200 feet of your property. The City encourages all contractors and property owners to be good neighbors. If you have questions or concerns regarding the specific construction details of this permit application, you may contact the property owner or the general contractor responsible for the project listed below. A site plan and elevation drawings for the project are also included with this notice.

**Notice of City of Prairie Village Noise Ordinance**

The Prairie Village Municipal Code prohibits loud noise before 7:00 a.m. and after 10:00 p.m. on weekdays, and before 8:00 a.m. and after midnight on weekends. This includes construction noise in neighborhoods. If you witness this ordinance being violated, it is important to report it to the Police Department immediately. You may contact the Prairie Village Police Department at their non-emergency number at 913-642-5151. Contractors who violate this ordinance will receive a Notice to Appear in Municipal Court.
